MISSION STATEMENT

St. Augustine Catholic School assists parents in faith formation and education of their children. Carrying out the mission of Jesus Christ, we provide a program based on proven educational theories. This includes the development of social awareness and responsibility which extends beyond self to family, church and community.

Curricular Areas

- Religion
- Language Arts
- Mathematics
- Science
- Art
- Library Skills
- Social Skills
- Reading & Literature
- Physical Education
- Technology
- Music/Drama

Curriculum goals

St. Augustine follows the Archdiocese of Louisville curriculum which emphasizes a standards-based education. The educational program of each child, though it is similar because of the common nature, takes into account individual needs. St. Augustine serves students from preschool to eighth grade.

Fine Arts

In the fine arts program, all students are instructed in the areas of drama, art, music, chorus and dance.

Uniforms

Students are required to wear uniforms. There is also a dress code that is followed on out-of-uniform days.

Staff

All regular classroom teachers are certified by the State of Kentucky Department of Education. Additional certification in the area of religious education is issued by the Archdiocese of Louisville. The staff includes a certified school counselor.

Technology

St. Augustine has a multi-station computer lab where students are scheduled for regular weekly instruction. Integration of technology into classroom activities is actively encouraged.

Finances

St. Augustine is tuition based, and as such, parents contribute a fee for the education of their children. It is important to understand that St. Augustine Parish contributes substantially to the support of the school financially and spiritually.

Scholarships/Financial Aid

Financial assistance may be received from the Archdiocesan Endowment for Excellence, the Archdiocesan financial aid fund, the St. Augustine Gifts from God Endowment, and the Adopt-a-Child Program funded by the parishes of Marion and Taylor Counties.

Counseling Services

St. Augustine School is a Family Builders School. Students and families can receive individual, group, or family services on site during school hours by a professional counselor.

Extended Care

- Early Morning Drop off 7:30 am included with tuition.
- Extended Care 3-6 pm minimal fee
