

St. Augustine Daycare

HOURS OF OPERATION/DISMISSAL

The Daycare will be in operation from 3:00-5:30pm. The same procedure is to be followed for the pickup of daycare students as for Extended Care students. Enter by the front doors by the gym and proceed through the gym to the Preschool Room. After signing the student out, exit through the gym and the front doors. If there is a student in the Extended Care Program as well, please pick up the daycare student first.

St. Augustine School follows the Marion County School calendar. If early dismissals are listed on the yearly calendar, (ex. Last day before Christmas break), daycare will be held from time of dismissal until listed closing time. If school is dismissed early because of weather conditions or other emergencies, there will be no daycare program that day.

PAYMENT/FEES

There is a one-time non-refundable fee of \$25 for all who use the daycare program. While regular use of the program is encouraged, “drop-ins” or occasional users are accepted. However, all who use the program at any time must pay the \$25 fee.

The cost of use of the program is \$5.50 per day. Payment by week is expected for regular users of the program. Payment by use is expected for “drop-ins” and occasional users.

SNACKS AND PARTIES

We ask that parents do not send snacks with their children for the daycare session. Since birthdays and other celebrations will be observed in the preschool session, these will not be celebrated during daycare. Snacks will be given both morning and afternoon preschool hours.

Unless it is stated otherwise, the guidelines, etc. are the same as for the preschool.
