

ST. AUGUSTINE CATHOLIC SCHOOL NEWSLETTER

CARDINAL PRIDE!

January 4, 2010

From the Principal

HAPPY NEW YEAR!

2010

Wow! This faculty has returned with excitement and energy! I hope the students can keep up! There are many things happening in the month of January- Science Fair-Math-a-thon-PTS Conferences. We should definitely be busy in our classrooms.

I am happy to add two new students to our Pre-school classroom. Please welcome Gwen Gadberry and Claudia Garner. Mrs. Smith and her class are thrilled with their new friends!

Please remember to mark your calendars to attend the Catholic Schools Week Mass on Saturday, January 30 at 4:30. We will have Open House prior to Mass with a silent auction, big money raffle, and a dinner to follow Mass.

Tickets are available in the office for the big money raffle. They are \$100 each with 2 grand prizes of \$5000.00 dollars. There are only 300 tickets being sold so get yours quick!!!

School closing due to inclement weather will follow the Marion County system, as we have in previous years. If Marion County closes so does St. Augustine. If the school is closing during the school day- there is no extended care. Be prepared to make other plans.

Parent-Teacher-Student Conferences have been scheduled for Tuesday and Wednesday, January 12-13 from 3-6 pm. We are avoiding a conflict with an away basketball game. Your conference time should go home in this Wednesday's folder. Mrs. Mary McCarvel, - who has worked for many years in our Extended Care program has become ill and is living with her daughter in Chicago. Please pray for her recovery. We are blessed to have Stacy Creason coming on board to help as well as the brilliant Mrs. Monica Hill.

Thank you for all the generous and beautiful gifts this Christmas. I feel blessed to have had my whole family together and to have the support and blessings of the St. Augustine family as well.

Thank you Carla Wagner, for the beautiful, bright rug for Mrs. O'Bryan's classroom. She loves it!

Dates
