From the Principal

- What a **GREAT** evening it was! Our Dinner/Auction was a huge success. The food was perfect and the evening went off with out a hitch. We owe a **HUGE** thank you to our PTO president, Nina Sandusky. Thank you Nina for all your hard work! We hope to have the numbers to report at our PTO meeting on February 18th.
- Registrations for 2010-2011 school year have been trickling in. Please make sure you have registered no later than Monday, February 15th. I will use those numbers for my presentation at the PTO meeting. **Get registered now!**
- We have decided to adjust the full-time PreK tuition by 5% for those families who have a sibling in the school. This adjustment should make it easier to choose to keep your entire family at St. Augustine.
- Congratulations to our 8th Grade Girl's Volleyball team- They won First place in their tournament this weekend.
- Congratulations to Clay Lanham and Jack Hagan- They made the NCAA All Tournament Team! **Way to Go!**
