8 Dress Down for a Dollar-  
Fish fundraiser

**DON'T FORGET ABOUT  
MATH LAB MONDAYS-  
OPEN UNTIL 4:00**

- No School on Monday, September 7th!
- With the flu season approaching we are in need of hand sanitizer for the classrooms. If you could send some in we would appreciate it! The large pump bottles work best. Also, if your child is sick please keep them home. They may return after 24 "fever-free" hours.
- Please support our school Ham Days yard sale. Contact Patty Howard for more information! Drop off your stuff and buy "new to you" stuff!
- The students are doing a great job with morning prayer. If you have the time, join us in the gym for prayers and announcements.
- I have just been informed that we have lost our Title 1 services for middle school. It is a state certification issue. :(
- The Cafeteria is raffling off a Bag of Halloween treats. Send in 50 cents for a chance. The drawing will be held Friday October 30th.

## **NEWS FROM THE CLASSROOMS!**

- 8th Grade students had a great discussions about racism during their Religion and Social Studies classes. Ask them about the brown eye vs. blue eye experiment.
- Ask the fourth grade students what they discovered in their owl pellets. Kind of gross yet kind of cool!
- Pre K students will be joining us for Mass this Thursday. Very exciting for us and for them!
